CAPITAL FINANCING AND INVESTMENT

Does your organisation need financing for new projects, additional working capital to manage day-to-day financial obligations or additional debt or equity capital to drive business expansion?

Through partnership, strategic management and effective financing solutions, Guyana Americas Merchant Bank can improve the value of its client's business portfolio. A fully licensed and capable operation, GAMBI has a wealth of financing knowledge – which combined with ingenuity and experience – distinguishes it from other alternative financing / investment managers. Guyana Americas Merchant Bank has a wide portfolio of financial products and services focused on creating value through partnership, industry knowledge, expansive network and prudent risk management.

BACKGROUND

Guyana Americas Merchant Bank Inc. is the pioneer merchant bank in Guyana. Established in 1995 under the Companies Act of Guyana, and is licensed by the Bank of Guyana to carry out non-depository financial transactions.

In addition, it conducts business as a Broker, Dealer, Investment Advisor and Underwriter under our Guyana Securities Council registration.

As a member of The Beharry Group, Guyana Americas Merchant Bank is fully integrated into the corporate landscape of Guyana, and is uniquely positioned to partner with our clients so as to realize their corporate ambitions.
